

The Park Country Club

4949 SHERIDAN DRIVE
WILLIAMSVILLE, NY 14221
716-632-2121

POSITION: EQUIPMENT/SHOP MANAGER

CLUB DESCRIPTION:

Founded in 1903, The Park Country Club is a private club located in Williamsville, NY. The course architects are H.S. Colt & C.H. Alison and was the site of the 1934 PGA Championship. The club consists of an 18-hole golf course with full practice facilities, as well as tennis courts and a pool.

JOB DESCRIPTION:

The equipment/shop manager will be an integral part of the grounds team helping to make Park Club a premier private club. The position will involve the management of the day-to-day shop and equipment maintenance as well as any maintenance required for the club's golf cart fleet.

REQUIREMENTS:

- *Ability to maintain a safe, clean, efficient maintenance shop
- *Prior golf course experience preferred but not required
- *Ability to do routine maintenance and repair of small engines, larger gas and diesel engines, electrical systems, hydraulic systems, diagnostics and troubleshooting, grinding reel mowers and bed knives as well as maintain accurate height of cut and adjustment of all mowers
- *Ability to keep detailed and accurate records and maintain parts and shop inventory
- *A good understanding of all health & safety guidelines

COMPENSATION & BENEFITS:

- Salary range \$52,000 - \$60,000 (D.O.E)
- PTO
- Health Group Plans, Life Insurance, Dental & Vision Options
- Uniforms
- Golfing Privileges
- Education Opportunities & Dues Paid to GCSAA

DATE AVAILABLE:

ASAP
